Dear students,

Due to the semesterisation of the first year first semester, few Changes have been made to the below subjects.

1. **Previous Module: IT1101 Fundamentals of Information Technology**

    Mapping Module: IT1111 Computing Fundamentals

2. **Previous Module : IT1105 Mathematics for Information Technology**

    Mapping Module: IT1105 Mathematics for Computing

For those who have not completed the Computer Programming Techniques and Practices module, there will be a supplementary exam in the end of the semester.

3. **IT1102- Computer Programming Techniques and Practices -** supplementary final examination.
