

Open Day – Curtin Colombo | July 2023 Intake

Are you after A/L and looking to pursue a globally recognised Australian degree in Sri Lanka?

Join us at Open Day on **Sunday 26 March from 10am to 2pm** to chat with course experts from Curtin University Australia and find out everything you need to know about studying at Curtin Colombo including applications, pathways, scholarships and study options.

At Curtin Colombo you can study an engineering, computing or business undergraduate degree that can be completed in Sri Lanka. If you wish you may transfer to Curtin University in Australia for completion.

What to expect during the open day?

Guided campus tours

**Academic counselling sessions
with Curtin academic staff**

**Individual counselling sessions
with our student advisors**

**Engage with our student
ambassadors**

**Experience student life at
Curtin Colombo**

**Meet Curtin University alumni
and industry professionals**
